

THE OPEN DOORS FELLOWSHIP PROGRAM

READY TO ELEVATE YOUR SCIENTIFIC JOURNEY?

TO APPLY TWO MODALITIES

- **Modality A:** to establish new partnerships with Flemish research groups
- **Modality B:** to consolidate ongoing collaborations.

PHASE 1

SHORT RESEARCH STAY

A three-month fully funded research stage in Belgium, to expand research horizons and cultivate a robust scientific network.

PHASE 2

TAILORED TRAINING

Upon returning to Africa, fellows can customize a 17-month training curriculum through various online courses, enhancing both soft and hard skills crucial for career growth.

FOR:

post-doctoral women
in research centers/
Universities
from selected African
countries

Apply before:

December 31st, 2024.
