## Public transport

You can take easily the bus or tram to go to your destination.

At each bus stop, the numbers of the busses that are passing at that place are indicated.

You can buy a **Bus/Tram card** (Bus&tram card are the same) in the Newspaper/tobacco shop or in a shop of De Lijn. A 10-ride card is 17,8 €.

If you only take the bus during the week, that means 1 card a week = 71,2 €/month.

But you can also buy an **Omnipas** which is cheaper, it gives you unlimited travel on all De Lijn buses and trams. You can buy the Omnipas [online](#) or in a De Lijn shop. (there is a De Lijn shop at the Ghent-Saint-Pieters train station).

How to get around with Bus and Tram?

<https://www.delijn.be/en/routeplanner/> here you can enter the starting address and the arrival address, and you will find the number of the bus(es) you need to take.
